

Our Mission Statement –

“For every man to discover who they are in Christ through their affirmation, brokenness and healing.”

About the staff

Edge was founded by Mike Dickson and Mark Russell in 2007. Since that time, Edge has had more than 600 men attend.

Our staff is made up of past participants to guide and sharpen others to HIS Glory.

“For the word of God is alive and powerful. It is sharper than the sharpest two-edged sword, cutting between soul and spirit, between joint and marrow. It exposes our innermost thoughts and desires.”

Hebrews 4:12 (NLT)

A Christian
Men's Experience
like no other.

“As iron sharpens iron, so one man sharpens another”

Proverbs 27:17 (NIV)

What is Edge Venture?

The Edge experience is a bible based weekend that challenges men to see themselves through the eyes of Christ. We use God's word with the support of fellow Christian brothers to teach and help men build and strengthen their relationships with each other, their family, friends and most importantly with our Savior, Jesus Christ.

Who should attend Edge?

Whether you are a man that wants to strengthen your relationship with God, having trouble letting go of your past, failed relationships or fear about the future, Edge is for you.

How is the weekend designed?

Unlike a conventional Christian Men's Retreat, these weekends are designed to be a smaller, intimate community to ensure a dynamic experience normally not found at a larger men's retreat. There is an outline of processes in both large and small groups throughout the weekend, but no agenda is given to the participants in order to remove any and all expectations.

What is so different about Edge?

If you're looking for a Christian weekend with guest speakers and free time this IS NOT the weekend for you. Our weekends challenge men to look at their lives and evaluate what areas are not working. Through God's word and the Holy Spirit we help men to see the truth of who they are in Jesus Christ.

So what do men say about their Edge experience?

"Hands down the best weekend of my life, I finally realized what it is like to really know other men, and to be truly known by them."

Jake, age 19

"It was powerful and life changing for me and all the men I had connection with. It was truly God. As a pastor and counselor I fully endorse and recommend it."

Mark, age 51

I had no expectations and by Sunday, Christ's power was revealed in me like no other time in the past 32 years."

Marty, age 62

"I came closed off, angry and afraid at men I didn't know ... I met men though who valued my heart, who did not shame me and who helped me to pierce through my walls. They helped me overcome things that had crippled me for 22 years. I was skeptical, but now changed."

Kevin, age 28

Edge Venture taught me that a man of Christ is transparent, courageous, supportive & loving. Thank you for helping me gain back the manhood I lost years ago."

Scott, age 38
